The UW Department of Dance is thrilled to present new works from nationally and internationally recognized choreographers Alethea Alexander, Rachael Lincoln, Adele Nickel, Dani Tirrell and “Majinn” Mike O’Neal Jr. in a concert featuring premieres of collaborations that question hierarchies in art and life. Accompanying new works generated from a diverse range of contemporary movement lexicons, the bill also includes original sound scores from composers Ivory Smith and Dr. Kaley Lane Eaton and an ensemble improvisation by AVID (Scott Davis, Aiko Kinoshita, Rachael Lincoln, Aaron Swartzman and Tamin Totzke).
