 - Dance 251 will not be offered this Spring. Graduating students will be offered another course or we will waive it as a requirement. We are also working with them for W credits if they had planned to use this as a W course.
 - Should we offer Dance 251 twice next academic year?
 - Discussion ensued with concurrence around the following:
 - Keep at least one section in Spring 2022
 - Two sections in one quarter would open up the opportunity to co-teach

- Departmental Updates/Announcements
 - Follow up from Planning Meeting: We can cloak courses so that they won't be visible in the course catalog but not go away entirely and could still offer them in the future
 - For this year's YAR, DEIA activities will be recognized in our department
 - *UW Dance Presents*: due to timing, we cannot require students to view it since it falls over Spring break. PR campaign underway, films being put together. Draft of program will be sent out soon.
